

## **Retail Consult is recruiting!**

The impact of technology in retail is a game changer affecting every retailer from small, local shops to retail giants. Working at Retail Consult means being at the center of this industry in transformation. As specialists in technology solutions for retail, we provide solutions strategy, implementation, deployment, training and support services for clients across a range of retail segments including fashion, grocery, pharmacy, do it yourself, telecommunications, and electronics. Work, train and learn with a growing team with almost 300 people based in Portugal, the US, Germany, Brazil, Mexico, Chile and China, who are transforming the business of retailers across the globe.

We are currently seeking for a **Junior Developer** to join our growing team.

### **What we are offering:**

- The opportunity to join a growing company with people passionate about their work in an international environment;
- The opportunity to work with best-in-breed methodologies, tools and techniques;
- Training and Mentoring/Talent Development programs;
- Full package of Salary, perks and benefits (Health Insurance, mobile allowance and others);
- Career Evolution;
- Flexible working hours;
- Extra days off;
- Wellbeing program;
- Partnerships with local businesses;

### **What are we looking for?**

- Motivated candidates for learning in an international company where will develop technical knowledge and acquire functional knowledge on Oracle Retail.
- Dynamism, proactivity, resilience, and good communication are the main skills we are looking for.

### **Requirements:**

- University Degree in Information Systems, Information Technology, Systems Engineering or similar.

- Academic experience with databases and programming languages, such as SQL Server, MySQL, PL/SQL, Java, etc.
- Analytical Skill to interpret and understand business processes by written requirements and technical specification documents.
- Good communication skills, problem-solving mindset.
- Adaptable, flexible attitude and resilient to perform well under pressure.
- Ability to work well within a team with several seniority levels.
- Availability to travel.
- Proficient in English.

If you think your profile matches our requirements and you are looking for an experience that offers opportunity, growth, balance, and a feeling of value, apply to this job submitting your CV at [www.retail-consult.com/en/work-with-us/](http://www.retail-consult.com/en/work-with-us/) or [jobs@retail-consult.com](mailto:jobs@retail-consult.com).
